PRESS RELEASE

UONGOZI INSTITUTE TO HOLD ITS EIGHTH GRADUATION CEREMONY

16 May 2025, Dar es Salaam: UONGOZI Institute will hold its eighth graduation ceremony at the Mlimani City Conference Centre in Dar es Salaam, today. The guest of honour will be Hon. George Boniface Simbachawene (MP), Minister of State, President's Office – Public Service Management and Good Governance.

The keynote address will be delivered by Mrs. Suzanne Innes-Stubb, First Lady of Finland and a renowned international expert in the fields of law and ethics.

The event is organised to celebrate the accomplishments of those who have completed the Institute's long-term executive programmes: Postgraduate Diploma in Leadership (PGD), Certificate in Leadership (CiL), and Women's Leadership Programme (WLP). It will be attended by leaders from across the continent – and from a range of professions in government, business, academia and civil society. A total of 200 leaders will graduate.

The three programmes aim to develop leadership competencies in personal leadership, people leadership and organisational leadership. They are dedicated for leaders, from all sectors, who want to propel their professional development without putting their careers on hold. The faculty consists of experts in the field of leadership development from across the world.

PGD and CiL are designed and delivered in collaboration with Aalto University Executive Education and Professional Development (Finland). They are implemented with support from the governments of Tanzania and Finland. The WLP receives support from the two governments as well as the European Union and UN Women.

Participation in the event will be by invitation only.
